

Improving Quality of Life

Considering organizing a Tend the Bend cleanup?
Consider this:

Litter and debris have a negative effect on everyone. It...

- Reduces property values
- Increases risk of crime
- Increases risk of wildlife / rodent infestation
- Increases unlawful/uncontrolled dumping
- Reduces neighborhood pride

Tend the Bend cleanups positively impact neighborhoods. They...

- Promote volunteerism (great opportunity for students)
- Form relationships among neighbors
- Increase curb appeal
- Promote ownership in both homes and neighborhoods
- Strengthen relationships with neighborhood associations

Safety

- ⇒ **Do not go onto private property!** We can only clean public areas such as: alleys, sidewalks, streets, and tree lawns. We can also clean vacant lots or yards of vacant houses.
- ⇒ Work in pairs or groups.
- ⇒ Always wear gloves.
- ⇒ Wear proper shoes (i.e. no open-toed shoes, flip-flops, etc.).
- ⇒ Place litter and trash in the provided bags only.
- ⇒ Don't make bags too heavy to lift. If you need help lifting something, ask someone for help.
- ⇒ Place broken glass in cardboard boxes so bags don't break
- ⇒ Don't pick up any needles / drug paraphernalia.
- ⇒ **Do not touch any knives, guns, or weapons you find!** Immediately notify one of the leaders so police may be called.
- ⇒ Be aware of your surroundings!

Neighborhood Services & Enforcement Provides

Organizing a Tend the Bend Cleanup

**Neighborhood
Services &
Enforcement**

City of South Bend

What is a Neighborhood Cleanup?

A neighborhood cleanup is a coordinated effort between Neighborhood Services & Enforcement, the Neighborhood Enforcement Action Team (NEAT Crew), neighborhood associations, and local volunteers.

The goal of a neighborhood cleanup is to remove trash and debris littering a targeted neighborhood.

**IT IS A CLEAN UP;
NOT A CLEAN OUT**

A cleanup is not used to allow residents to purge their homes of unwanted items or yard waste.

If you or someone you know needs to remove large items or yard waste, please call 311 to schedule a special pick-up.

How It Works

1. A neighborhood association contacts Neighborhood Services & Enforcement to establish a date and time for the cleanup.
 - **Neighborhood Services & Enforcement needs three (3) weeks notice to coordinate a cleanup.**
 - Cleanups can be scheduled Saturdays between 8 a.m. and noon.
2. The neighborhood association is responsible for recruiting volunteers and establishing block captains/group leaders.
3. Neighborhood Services & Enforcement and the neighborhood association will set boundaries and create a map for volunteers.
4. Area Neighborhood Services & Enforcement inspector(s) will blitz the area before the cleanup to get larger items removed prior to the cleanup.
5. Neighborhood association will seek food/drink donations for volunteers.
6. Neighborhood association will advertise the event on Facebook and/or Twitter and will notify the press.
7. Neighborhood Services & Enforcement will bring the stocked Tend the Bend trailer to the event to loan out tools and equipment.
